

Year 13 Careers Bulletin September 2021

Wishing a warm welcome back to Year 13 students and families. I hope you have all had a well-rested summer break and are ready for the exciting term ahead. My name is Danielle Culham and I am the Careers Advisor at Sir John Deane's Sixth Form College and my office is based in the Careers Hub in the Library. Students can access the Careers Hub at any time in the college day; there are computers to conduct careers research and complete tasks, paper copies of university prospectuses and many resources including apprenticeship gap year and studying abroad information. You will receive a Careers Bulletin from myself every term which is a collation of Careers information and opportunities from employers, universities and training providers. Please use the links provided and apply for anything you are interested in. Please get in touch if you have any questions or queries. My email address is culhamd@sjdacuk
